COMPANY OVERVIEW

For over 20 years, TFX (Timberfix) has been a cornerstone of the construction landscape, earning recognition as one of Australia's most dependable and respected suppliers of construction essentials and site solutions.

Our unwavering commitment to quality products, competitive pricing, and unparalleled service has solidified our reputation as a leader in the industry.

We understand the fast-paced demands of construction projects and pride ourselves on being a reliable partner, ensuring your sites are always equipped with the necessary materials, precisely when you need them.

Our recent expansion into signage solutions further strengthens our comprehensive offering, making TFX your trusted, all-in-one solution for site requirements across Australia.

EXTENSIVE PRODUCT RANGE

We maintain a vast inventory of high-quality hardware, fasteners, and site supplies, sourcing from leading manufacturers to ensure performance and durability. This includes everything from structural fixings and power tools to safety equipment and consumables. Our diverse product offering caters to projects of all sizes and complexities.

INDUSTRY RENOWNED DELIVERY SERVICE

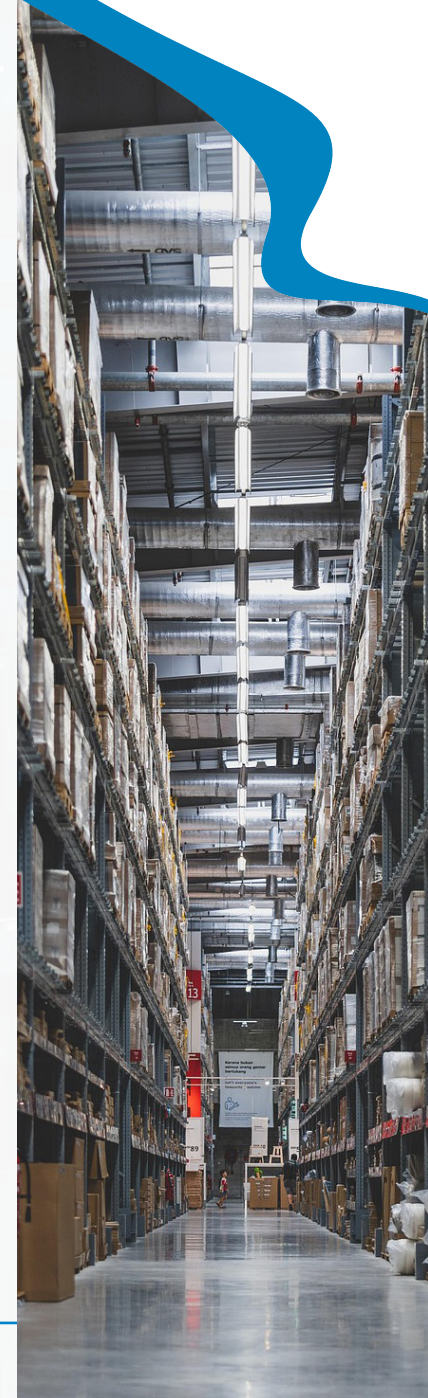

We understand that project delays can be costly, and our streamlined logistics network ensures that your orders are processed and delivered to your site promptly, minimizing downtime and keeping your projects on track. This commitment to speed and reliability sets us apart from the competition.
