## DEFECT LABELS

**NEW**

### Simplify Your Project with TFX Defect Labels

Ensure smooth and efficient project management with TFX's Defect Labels. These 25mm round adhesive labels come conveniently provided on a housing sheet, ready to peel and apply as needed. Perfect for marking and identifying defects on your site, these labels help streamline communication and ensure swift corrective actions.

Our Defect Labels are available in three highly visible colors: Red, Green, and Yellow. Whether you need to indicate different types of defects or prioritize tasks, these colors provide clear and immediate visual cues, enhancing overall site organization and efficiency. Place your order today!
